MAP AND DIRECTIONS

M3: This is the freeway commonly known as “The Blue Route” but is shown on maps as the “Simon van der Stel Freeway”.

M41: This is “Constantia Main Road”.

- 1) If travelling on the M3 from Cape Town in the direction of Muizenberg, bypass the “Trovato Link” off-ramp at the top of Wynberg Hill and proceed down the hill and take the “Wynberg/Constantia” off-ramp. At the traffic lights (robots) take the left hand slip road into Constantia Main Road (M41). Proceed, in the left lane, under the bridge and continue to the next set of traffic lights shortly thereafter (quite a large intersection – covered by traffic cameras). DO NOT take the on-ramp back onto the M3 but stay in the left lane to the next set of traffic lights. At this set of traffic lights turn left into the Constantia Sports Complex. The road bends to the right – just round the bend is a smaller road on your right (before you go over traffic slowing ‘humps’ in the road) – turn into this smaller road to “False Bay Rugby Club” and you will be travelling (slowly) parallel to Constantia Main Road. Proceed through gates into a large parking area – The Bay Restaurant is at the other end straight in front of you. The venue is on the other side of the restaurant and there is parking there as well. Simply drive round the back of the restaurant to this parking area.
- 2) If travelling on the M3 from Muizenberg in the direction of Cape Town take the Hout Bay/Constantia off-ramp – keep left and turn left at the traffic lights on Constantia Main Road. Proceed to the next set of traffic lights and turn left into the Constantia Sports Complex and follow the above directions.
- 3) If travelling from Hout Bay over Constantia Neck and via Constantia Main Road proceed past “Constantia Village” shopping centre entrance on your right (traffic lights). Continue to the next set of traffic lights. Alphen Centre will be on your left. After this set of traffic lights move into the right hand lane and move into a further right hand lane at the next set of traffic lights. Turn right into the Constantia Sports Complex and follow the above directions.
